

## Product specifications

| Details                    |             |
|----------------------------|-------------|
| Product code               | S-85DLC05D  |
| Connector                  | Dual LC UPC |
| Data Rate                  | 1.25G       |
| Distance                   | 550M        |
| Format                     | SFP         |
| Mode                       | MM          |
| Tested ambient temperature | -40 to +85C |
| Wavelength                 | 850nm       |
